

UTFAB Minutes  
September 9, 2003

**I. Call to Order:** 4:00 p.m.

Attending: Pat Burns, Amanda Belles, Alan Asher, Christy Benson, Betsy Taylor, Brandi Johnson, Ross Kippenberg. Tim Hinerman, Tardy

**II. Discussion of wireless access across campus**

Wired network in residence halls

About 200 wireless access points on campus in general

**III. Proposal**

The proposal for the SIS/Student Portal is for \$437,000 annually. Approximately \$225,000 is for salaries, which must be approved by the UTFAB and SFRB yearly. The remaining amount is approved for a five-year contract term.

The portal is available to push out almost any information, including the weather channel. The code behind the portal is primarily java and XML. Functionality will include group messaging and will require personnel to manage groups and capabilities.

**IV. Vote on SIS/Portal Proposal**

7 – 0 – 0

**V. Adjourn:** 4:45 p.m.
