- I. Call to Order- 3:07
- II. Minutes are going to be approved at the next meeting
- III. Presentations
 - a. CSU and the RIAA (Recording Industry Association of America) - Pat Burns
 - i. Peer to Peer file sharing- files shared with real word which violates copyright laws
 - ii. CSU throttles outbound traffic so it is hard to find by recording industry
 - iii. DCMA- Digital Millennium Copyright Act
 1. “take down” notice from RIAA and can form a possible lawsuit
 2. 99% from residence halls and housing has “3 strikes” policy
 3. Student Legal Services should give advice about lawsuits
 4. Possible subscription to downloading service such as itunes
 5. FERPA- not allowed to give out records so student has 10 days before information is released
 - iv. UTFAB Questions
 1. Should Early Settlement Letters be sent to students?
 2. Recommend forwarding letters to students
 - b. Student E-mail, Collaboration and Communication Services – Rusty Scott
 - i. Student email- outsource to 3rd party
 - ii. Microsoft- 2 offerings
 - iii. Google
 - iv. Doing this so can stay updated on architectures, no ads for students, more services/functions
